HAPPY NEW YEAR!

Well, the big question is finally solved for another year. The Annual Awards Banquet held at the Holiday Inn was a smashing success. Cocktail hour was rather slow to start due to the white stuff falling outside, but after a half an hour no one seemed to mind it and there were fewer journeys to the window for a weather report. Dinner was a filling occasion; with our "Master of Wit", John Kessler, to present the awards. He mentioned that the two top places were rather like the "Miss America" pageant by naming the runner-up you automatically knew who was first; some how I just don't picture Cecil and Wiltshire as candidates for such an affair they didn't parade down a runway. The results were kept hushed by not even reporting who won the December Rally until after the top twenty were presented. The Omega Rally by the Kennedys was rather unusual not only was it the last event of the year but you had a choice of either building a raft to cross a creek (the bridge was out due to construction) or going around and try to find the other side. All in all it was a very good event.

Father Time (should be father over due) bid his farewell and introduced Baby New Year. No this wasn't really what happened at all. Cecil Wright our out-going President turned the meeting over to Bill Dixon our leader for 1966. Bill introduced the officers supporting him and ended the meeting. Gene Atkinson should get a lot of credit for rounding up the Band to play for us especially when they had to drive from Petersburg in the snow.

The Championship Event that took place December 12th was apparently a tough competitive Rally-Gymkhana. The checkpoint crew for our team, John Chehaske, came in second over all in the gymkhana; and the Rally team only had one car to come in near the top in sixth place operated by the Greenwoods. It was stated that they went through Yorktown like Cornwallis.

We have a few celebrities in our midst, Bob Kennedy is President of the Petersburg Motor Sport Club and Chuck Edwards is President of the Mustang Club.

We must apologize to Jim Morrissey for all the crazy answers we gave him a while back. But, every time we were on our way to check out part of the Turkey Rally, who should appear but Jim on a Traffic Survey asking us all sorts of questions like where have you been and where are you going and why. This is really a sneaky way to find out about a Rally, only thing he didn't show up for it, must have tipped off the Green Triumph though.

DUES ARE DUE!!!! The cut off date is March 1, 1966.
