## "LETTER FROM THE EDITOR"

When I found out it's been a long time since a newsletter went out to the club I decided that as a new member I should step-up and help fill what I feel is a needed position to keep the members informed on what's going on.

Being new to the area, and getting back into autocross, I have been meeting many of you and starting to remember names, and the cars you drive. You have welcomed me and I can tell that we will have many days of fun with our cars as well as social events. VMSC is a pretty good group of people with many great stories, driving tips, and of course, laughter.

So with that, I will try very hard to make the content of the newsletters informative to you with results from the autocross events, upcoming event schedules such as club meetings, dinners, and of course the driving events. Many of you may go to the website, [www.vmsc.org](http://www.vmsc.org), and I encourage you to keep doing that since the information there is more timely and up to date.

The format of the newsletters will probably have a different 'feel' to it and my goal is to make it as slick as a 'clean run' through the course. The newsletter will not be mailed out but distributed via email at this time. The email should provide a link on the website to download it. That is more efficient in our view.

The newsletters can offer more with some help from YOU! Please feel free to send me corrections, etc., but more importantly ARTICLES and PICTURES written and taken by you. We are a grass-root club and your involvement keeps it that way.

Again, if you have suggestions for the newsletters please feel free to contact me about it. I am always looking for ideas to make it better and to shave off some time!

See you on the walk through,

Curt Kiser  
Newsletter Editor,

## OD's Wanted !!!

If you are not afraid of hard work, would like to do something for the club and your fellow members; think about being an **"Officer of the Day"** for an autocross event. [conestomper@gmail.com](mailto:conestomper@gmail.com)

If you would like to learn how, ask Jeff Chenery what all is involved. It is a great way to learn how our events are run and what it takes to make 'the magic happen'. The best way is to be a CO-OD first and learn. If you are worried about the course design, don't! One of us can always help with that and work with you as you learn the ropes. We do have a list of the OD's responsibilities and I will make sure it is published on the web site or you can e-mail Jeff for more details. You do have to be at the event at 7:30am and you don't leave until the last person is gone. Being an OD is hard work, but when the day is over it gives you a great deal of satisfaction to watch everyone pack up and head home after having fun, plus you get to hang out with friends.

Contact Jeff Chenery @ [conestomper@gmail.com](mailto:conestomper@gmail.com) for details.

**Event Report—RIR for 3-26-2016**

As the first Autocross of 2016 we had a GREAT turn-out, 111 drivers. Noticeably we had the largest group of Novice drivers that we've ever had to date. Thanks to everyone that helped out with getting the event going and especially to all those that helped 'mentor' the large group of Novice drivers. This is a fantastic, and needed, thing in order for our sport to grow. Thank you Audie and Jeff for being the OD's to get our season off and running...and for the good weather.

## Event Report—VMP for 4-24-2016

Now that we got the remaining bugs out after the 1st event, and with good weather, we hit our stride as the "Pollen Pylon Dust-Off" had another good turn-out at VMP. Gunny and his CO-OD's did a nice job of laying out a challenging course for us...THANK YOU. The guys from VCU brought their project kart out and did get in some testing runs at the end of the day. I'm looking forward to that kart competing soon. We also saw the debut, and virgin run, of Jeff's 'Jester RED DEVIL' kart. Watch for loose panels Jeff!  
(Note to self: new tires DO MATTER....ask Ricardo about that!)

## 2015 Awards Banquet

This year the annual Awards Banquet was again held at Maggiano's Little Italy Restaurant on February 20th. The venue, food, and service were great as usual and I am pretty sure that everyone had plenty to eat.

There were approximately 50 club members and guests in attendance and it was fun to see some of the folks that I am recently getting to know 'all clean and dressed up' instead of the driving attire that I usually see them wearing.

David Ogburn had a slide show going and as usual he captured some great shots of driving and other events. Thank you Dave and all that contributed photo's to the club. Lonnie Hawkins brought the old photo scrap books and it was valuable to me to see newsletter clippings, results, and pictures from the past of the long history of this club. I saw a number of pictures of members that were MUCH YOUNGER than they are now driving their cars that were MUCH NEWER then. I encourage you to browse through those photo albums if you haven't done so before.

Our club President, Jeff Chenery, gave us a report on the club events for 2015 and Audie provided the schedule for 2016. We have a few more autocross date at VMP this year so check out page 5 of this newsletter for the calendar of events.

Ricardo de Moraes won the most awards but wasn't in attendance. Little did he know that a 'special' BMW marquee trophy was made JUST FOR HIM.

We had some cool door prizes. RIR provided a few Richmond NASCAR tickets and VMP also provided some event tickets.

It is always fun to see the marquee, speed, and overall points awards presented.

**Great job to all of the competitors' and the club board members** for their years worth of hard work and driving skills. Checkout all the results on page 22.
